4a. *Don't give me any excuses. It was my big night and you were one hour late!*

5a. *I think I'll walk. So much better than driving in all the traffic.*

ACTIVITY 2

Listen to items 6a-8a and choose the best answer (A-D). There is one answer you do not need.

6a. *Diana, hi. Robert called to invite you – and us – to his opening at the Pandora Art Gallery, on Sturton Street.*

7a. *Phillip? This is Ben. I'm calling to remind you to bring me those files to the office tomorrow. Please don't forget. I need them.*

8a. *Hi sweetheart. Do me a favour and get an extra present for me to give Tommy. I'm not feeling well and I can't go out myself to get him his birthday present.*

9a. *Mark: Are you going in? Should I wait for you?*

Mark: Ok, but be sure to put on some sun cream. The sun is hot.

10a. *George: We need to buy two bottles of red wine and one white.*

Helen: I have that down, along with two bottles of milk and soda water.

George: Right. And we need some fruit for dessert, oh and yes... vegetables for the salad.

PART B - SHORT ANSWERS

ACTIVITY 1

Listen and fill in gaps 1b-5b with the right word, as in the example.

- EX.** *Nicolas collects them, but they're difficult to find. Nobody sends letters anymore!*
- 1b.** *Peter? He's great in the kitchen. He loves to try new dishes.*
- 2b.** *Tom doesn't just compose the music. He writes the words for them too!*
- 3b.** *Jenny practices two hours a day, though she doesn't want to become a pianist. That's Jenny for you. She wants to be good at everything she does.*
- 4b.** *I'm not sure that we call this a "hobby" but Rita has a wonderful voice and she's good at it. She's even thinking of entering the X-Factor competition!*
- 5b.** *Stephen and his dad used to go out every weekend in this little boat his father had. They didn't catch much but it was the experience they had together that they enjoyed.*

Listen again and check your answers.

ACTIVITY 2

Listen and fill in gaps 6b-10b with the right word, as in the example.

- EX.** *I know what the stereotype about teenagers is, but of course it's not true. My kids and my friends' kids don't sit around. They work really hard doing their school work, and help at home.*
- 6b.** *They say that all girls like to play with them, but mine never did! Both Dina and Sophie loved to play with lego and later on computer games.*
- 7b.** *Of course men do when they're sad. It's crazy to think they never do!*
- 8b.** *I know they say that, but I know lots of Greeks and Italians that speak in low voices and have really quiet conversations.*
- 9b.** *Of course the sun shines sometimes in England. You don't always need an umbrella!*
- 10b.** *It's just a stereotype that Germans love it so much that they drink nothing else. Besides, they produce some excellent wines.*
